AGREEMENT

This **AGREEMENT** is effective as of the ____ day of _____, 2024 (the “Effective Date”), and is between the City of Spanish Fort, Alabama (the “Franchising Authority” or the “City”), and Uniti Fiber GulfCo LLC (the “Company”). For purposes of this Agreement, unless otherwise defined in this Agreement, the capitalized terms, phrases, words, and their derivations, shall have the meanings set forth in Appendix A.

The Franchising Authority, having determined that the financial, legal, and technical ability of the Company is reasonably sufficient to provide the services, facilities, and equipment necessary to meet the current and future telecommunications-related needs of the community, desires to enter into this Agreement with the Company for the construction, operation, and maintenance of a Telecommunications System on the terms and conditions set forth herein. In consideration of the mutual covenants and agreements contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby covenant and agree as follows:

SECTION 1 GRANT OF AUTHORITY

1.1 Grant of Franchise. The Franchising Authority hereby grants under the Telecommunications Act a nonexclusive franchise (the “Franchise”) to occupy and use the Streets within the Franchise Area in order to construct, operate, maintain, upgrade, repair, and remove the Telecommunications System, and provide Telecommunications Services through the Telecommunications System, subject to the terms and conditions of this Agreement. This Franchise authorizes Telecommunications Service, and it does not grant or prohibit the right(s) of the Company to provide other services.

1.2 Term of Franchise. This Franchise shall be in effect for a period of ten (10) years commencing on the Effective Date, unless renewed or lawfully terminated in accordance with this Agreement and the Telecommunications Act.

1.3 Renewal. The Franchising Authority reserves the right to grant or deny renewal of the Franchise.

1.4 Reservation of Authority. The Company specifically agrees to comply with the lawful provisions of the City and applicable regulations of the Franchising Authority. Subject to any express federal or state preemption, the Company acknowledges that the Franchising Authority may modify its City code, ordinances or any regulatory policies by lawful exercise of the Franchising Authority’s police powers throughout the term of this Agreement. The Company agrees to comply with such lawful modifications to the City code, ordinances or regulations; however, the Company reserves all rights it may have to challenge such modifications to the City code, ordinances or regulations. The Franchising Authority reserves all of its rights and defenses to such challenges. Nothing in this Agreement shall (i) abrogate the right of the Franchising Authority to perform any public works or public improvements of any description, (ii) be construed as a waiver of any codes or ordinances of the Franchising Authority or of the Franchising Authority’s right to require the Company or any Person utilizing the Telecommunications System

to secure the appropriate permits or authorizations for its use, or (iii) be construed as a waiver or release of the rights of the Franchising Authority in and to the Streets. Notwithstanding the above, in the event of any conflict between this Agreement and any City code, ordinance or regulation adopted by the Franchising Authority in the exercise of its police powers, the terms and conditions of such code, ordinance or regulation shall prevail.

1.5 Competitive Equity and Subsequent Action Provisions.

NOTE: AS LONG AS THE COMPANY DOES NOT PROVIDE VIDEO SERVICE OR CABLE SERVICE, THIS SECTION 1.5 SHALL NOT APPLY.

1.5.1 Purposes. The Company and the Franchising Authority acknowledge that there is increasing competition in the video marketplace among cable operators, direct broadcast satellite providers, telephone companies, broadband content providers, and others; new technologies are emerging that enable the provision of new and advanced services to City residents; and changes in the scope and application of the traditional regulatory framework governing the provision of Video Services are being considered in a variety of federal, state, and local venues. To foster an environment where all Cable Service Providers and Video Service Providers using the Streets can compete on a competitively neutral and nondiscriminatory basis; encourage the provision of new and advanced services to City residents; promote local communications infrastructure investments and economic opportunities in the City; and provide flexibility in the event of subsequent changes in the law, the Company and the Franchising Authority have agreed to the provisions in this Section 1.5, and these provisions should be interpreted and applied with these purposes in mind. The parties agree that the Franchising Authority shall not be required to execute a franchise agreement or authorization with a competitive CSP or VSP that is identical, word-for-word, with this Agreement to avoid triggering the provisions of this Section 1.5, so long as the regulatory and financial burdens on and benefits to each CSP or VSP are materially equivalent to the burdens on and benefits to the Company. “Materially equivalent” provisions include but are not limited to: franchise fees and the definition of Gross Revenues; system build-out requirements; security instruments; public, education and government access channels and support; customer service standards; and audits.

1.5.2 Fair Terms for All Providers. Notwithstanding any other provision of this Agreement or any other provision of law,

(a) If any VSP or CSP enters into any agreement with the Franchising Authority to provide Video Services or Cable Services to Subscribers in the Franchise Area, the Franchising Authority and the Company, upon written request of the Company, will use best efforts in good faith to negotiate the Company’s proposed Franchise modifications, and such negotiation will proceed and conclude within sixty (60) days, unless that period is reduced or extended by mutual agreement of the parties. If the Franchising Authority and the Company agree to Franchise modifications pursuant to such negotiations, then the Franchising Authority shall amend this Agreement to include the modifications.

If there is no written agreement or other authorization between the new VSP or CSP and the Franchising Authority, the Company and the Franchising Authority shall use the sixty (60) day period to develop and enter into an agreement or other appropriate authorization (to the extent the Company determines an agreement or authorization is necessary) that to the maximum extent possible contains provisions that will ensure competitive equity between the Company and other VSPs or CSPs, taking into account the terms and conditions under which the new VSP or CSP is allowed to provide Video Services or Cable Services to Subscribers in the Franchise Area.

(b) Following the Franchise modification negotiations provided for in Section 1.5.2(a), if the Franchising Authority and the Company fail to reach agreement in such negotiations, the Company may, at its option, elect to replace this Agreement by opting in to the same franchise agreement or other lawful authorization that the Franchising Authority has granted to the new VSP or CSP.

1.5.3 Subsequent Change in Law. If there is a change in federal, state, or local law that provides for a new or alternative form of authorization, subsequent to the Effective Date, for a VSP or CSP utilizing the Streets to provide Video Services or Cable Services to Subscribers in the Franchise Area, or that otherwise changes the nature or extent of the obligations that the Franchising Authority may request from or impose on a VSP or CSP providing Video Services or Cable Services to Subscribers in the Franchise Area, the Franchising Authority and Company agree that, notwithstanding any other provision of law, upon the written request by either party, the Franchising Authority shall: (i) permit the Company to provide Video Services or Cable Services to Subscribers in the Franchise Area on substantially the same terms and conditions as are applicable to a VSP or CSP under the changed law; (ii) modify this Agreement to comply with the changed law; or (iii) modify this Agreement to ensure competitive equity between the Company and other VSPs or CSPs, taking into account the conditions under which other VSPs or CSPs are permitted to provide Video Services or Cable Services to Subscribers in the Franchise Area. The Franchising Authority and the Company shall implement the provisions of this Section 1.5.3 within sixty (60) days after either party submits a written request to the other party. Should the Franchising Authority fail to implement these provisions within the time specified, this Agreement shall, at the Company's option and upon written notice to the Franchising Authority, be deemed amended as initially requested by the Company under this Section 1.5.3. Notwithstanding any provision of law that imposes a time or other limitation on the Company's ability to take advantage of the changed law's provisions, the Company may exercise its rights under this Section 1.5.3 at any time, but not sooner than thirty (30) days after the changed law goes into effect.

1.5.4 Effect on This Agreement. Any agreement, authorization, right, or determination to provide Cable Services or Video Services to Subscribers in the Franchise Area under this Section 1.5 shall supersede this Agreement.

SECTION 2 THE TELECOMMUNICATIONS SYSTEM

2.1 The System and Its Operations.

2.1.1 Service Area. As of the Effective Date, the Company operates a Telecommunications System within the Franchise Area.

2.1.2 System. As of the Effective Date, the Company maintains and operates a Telecommunications System which consists of pipes, transmission lines, meters, equipment and other facilities associated with the operation of a fiber optic transmission line by the Franchisee to provide Telecommunications Service.

2.1.3 System Technical Standards. Throughout the term of this Agreement, the Telecommunications System shall be designed, maintained, and operated such that quality and reliability of System Signal will be in compliance with all applicable consumer electronics equipment compatibility standards, including, but not limited to, the Telecommunications Act, as may be amended from time to time.

2.1.4 Testing Procedures; Technical Performance. Throughout the term of this Agreement, the Company shall operate and maintain the Telecommunications System in accordance with the testing procedures and the technical performance standards of the FCC.

2.2 Requirements with Respect to Work on the System.

2.2.1 General Requirements. The Company shall comply with ordinances, rules, and regulations established by the Franchising Authority pursuant to the lawful exercise of its police powers. Subject to Section 1.4 above, to the extent that local ordinances, rules, or regulations clearly conflict with the terms and conditions of this Agreement, the terms and conditions of such local ordinances, rules, or regulations shall prevail.

2.2.2 Protection of Underground Utilities. The Company shall comply with the Alabama Underground Damage Prevention Act (Ala. Code § 37-15-1, *et seq.*), relating to notification prior to excavation near underground utilities, as may be amended from time to time.

2.3 Permits and General Obligations.

2.3.1 The Company shall be responsible for obtaining all permits, licenses, or other forms of approval or authorization necessary to construct, operate, maintain, or repair the Telecommunications System, or any part thereof, prior to the commencement of any such activity. The Franchising Authority shall make all reasonable efforts to issue permits, licenses, or other approvals within ten (10) business days. The Company shall be solely responsible, either through its employees or its authorized contractors, for constructing, installing, and maintaining the Telecommunications System in a safe, thorough, and reliable manner in accordance with all applicable standards and using materials of good and durable quality. The Company shall assure that any person installing, maintaining, or

removing its facilities is fully qualified and familiar with all applicable standards. No third party shall tamper with, relocate, or otherwise interfere with the Company's facilities in the rights-of-way without the Company's approval and supervision; provided, however, that the Company shall make all reasonable efforts to coordinate with other users of the Streets to facilitate the execution of projects and minimize disruption in the public rights-of-way. All transmission and distribution structures, poles, other lines, and equipment installed by the Company for use in the Telecommunications System in accordance with this Agreement shall be located so as to minimize interference with the proper use of the Streets and the rights and reasonable convenience of property owners who own property adjoining the Streets.

2.3.2 Code Compliance. The Company shall comply with all applicable building, safety, and construction codes.

2.4 Conditions on Street Occupancy.

2.4.1 New Grades or Lines. If the grades or lines of any Street within the Franchise Area are lawfully changed at any time during the term of this Agreement, then the Company shall, upon at least ninety (90) days' advance written notice from the Franchising Authority and at the Company's own cost and expense, protect or promptly alter or relocate the Telecommunications System, or any part thereof, so as to conform with the new grades or lines. If public funds are available to any Person using the Street for the purpose of defraying the cost of any of the foregoing work, the Franchising Authority shall make application for such funds on behalf of the Company. The Company shall be entitled to reimbursement of its costs should any other utility be so compensated as a result of a required protection, alteration, or relocation of its facilities. Notwithstanding the above, the Company shall not be liable for the cost of protecting, altering, or relocating facilities, aerial or underground, where such work is required to accommodate a beautification project or private development project.

2.4.2 Relocation at Request of Third Party. The Company shall, upon reasonable prior written request of any Person holding a permit issued by the Franchising Authority to move any structure, temporarily move its wires to permit the moving of such structure; provided (i) the Company may impose a reasonable charge on any Person for the movement of its wires, and such charge may be required to be paid in advance of the movement of its wires; and (ii) the Company agrees to arrange for such temporary relocation to be accomplished as soon as reasonably practicable, not to exceed ninety (90) days without the prior agreement of the Franchising Authority.

2.4.3 Restoration of Streets. If in connection with construction, operation, maintenance, or repair of the Telecommunications System, the Company disturbs, alters, or damages any Street, the Company agrees that it shall at its own cost and expense restore the Street according to the standards set forth in the Alabama Department of Transportation's Utilities Manual. If the Franchising Authority reasonably believes that the Company has not restored the Street appropriately, then the Franchising Authority, after providing ten (10) business days' advance written notice and a reasonable opportunity to cure, may have the Street restored and bill the Company for the cost of restoration.

2.4.4 Trimming of Trees and Shrubbery. The Company shall have the authority to trim trees or other natural growth overhanging any of its Telecommunications System in the Franchise Area so as to prevent contact with the Company's wires, lines, cables, or other equipment, subject to all applicable local ordinances, rules and regulations, and the cost of such trimming shall not be borne by the Franchising Authority.

2.4.5 Aerial and Underground Construction. If at the time of Telecommunications System construction all of the transmission and distribution facilities of all of the respective public or municipal utilities in the construction area are underground, the Company shall place its Telecommunications System's transmission and distribution facilities underground. At the time of Telecommunications System construction, in any place within the Franchise Area where the transmission or distribution facilities of the respective public or municipal utilities are both aerial and underground, the Company shall have the discretion to construct, operate, and maintain all of its transmission and distribution facilities, or any part thereof, aerially or underground; however, at such time as all existing aerial facilities of the respective public or municipal utilities are placed underground, the Company shall likewise place its facilities underground, subject to the provisions of Section 2.4.1. Company facilities placed underground at the property owner's request in any area where any of the transmission or distribution facilities of the respective public or municipal utilities are aerial shall be installed with the additional expense paid by the property owner. Nothing in this Section 2.4.5 shall be construed to require the Company to construct, operate, or maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment. The Company shall be entitled to expand and upgrade its System as it deems reasonably necessary.

2.4.6 Use of Existing Poles. Where possible, the Company shall attach its facilities to existing utility poles and shall use all reasonable efforts to enter into a pole attachment agreement with the owners of such existing utility poles. The Franchising Authority acknowledges that the Company may pass through to Subscribers the costs of attaching to existing utility poles in the Franchise Area, and does not object.

2.5 Change in Franchise Area. In the event that the borders of the Franchise Area change, through annexation or otherwise, the Franchising Authority shall provide to the Company written notice of such change, including an updated map of the Franchise Area. Franchise fees on gross revenues earned from Subscribers in annexed areas shall not be payable to the Franchising Authority until sixty (60) days after the Company's receipt of such updated map, and shall not be remitted to the Franchising Authority until the next regularly scheduled quarterly franchise fee payment as provided in Section 4.1.2 below.

SECTION 3 CUSTOMER SERVICE

Customer Service. The Company shall comply in all respects with the requirements set forth in Appendix B. A minor violation of those requirements does not constitute a breach of this Agreement.

SECTION 4
COMPENSATION AND OTHER PAYMENTS

4.1 Compensation to the Franchising Authority. As compensation for the Franchise, the Company shall pay or cause to be paid to the Franchising Authority the amounts set forth in this Section 4.1.

4.1.1 Franchise Fees—Amount. The Company shall pay to the Franchising Authority franchise fees in an amount equal to five percent (5%) of Gross Revenues derived from the operation of the Telecommunications System to provide Telecommunications Services in the Franchise Area. See Appendix C regarding Minimum Annual Franchise and payment of Franchise Fees.

4.1.2 Franchise Fees—Payment. Payments of franchise fees shall be made on a quarterly basis and shall be remitted not later than thirty (30) days after the last day of March, June, September, and December throughout the term of this Agreement.

4.1.3 Company to Submit Franchise Fee Report. The Company shall submit to the Franchising Authority, not later than thirty (30) days after the last day of March, June, September, and December throughout the term of this Agreement, a report setting forth the basis for the computation of Gross Revenues on which the quarterly payment of franchise fees is being made.

4.1.4 Franchise Fee Payments Subject to Audit; Remedy for Underpayment. No acceptance of any franchise fee payment by the Franchising Authority shall be construed as an accord and satisfaction that the amount paid is in fact the correct amount or a release of any claim that the Franchising Authority may have for further or additional sums payable under this Agreement. The Franchising Authority may conduct an audit no more than once annually to ensure payments in accordance with this Agreement. The audit of the Company's records shall take place at a location, in the State of Alabama, determined by the Company. The Franchising Authority is prohibited from removing any records, files, spreadsheets, or any other documents from the site of the audit. The audit period shall be limited to six (6) years preceding the end of the quarter of the most recent payment.

If, as a result of an audit or any other review, the Franchising Authority determines that the Company has underpaid franchise fees in any twelve (12) month period by ten percent (10%) or more, then, in addition to making full payment of the relevant obligation, the Company shall reimburse the Franchising Authority for all of the reasonable costs associated with the audit or review, including all reasonable out-of-pocket costs for attorneys, accountants, and other consultants. The Franchising Authority shall provide the Company with a written notice of audit results and a copy of the final report presented to the Franchising Authority. The Company shall remit any undisputed amounts owed to the Franchising Authority as the result of the audit within forty-five (45) days, or other mutually acceptable timeframe, after the date of an executed settlement and release agreement.

4.2 Payments Not to Be Set Off Against Taxes or Vice Versa. The parties agree that the compensation and other payments to be made pursuant to this Section 4 are not a tax and are not in the nature of a tax.

4.3 Interest on Late Payments. If any payment required by this Agreement is not actually received by the Franchising Authority on or before the applicable date fixed in this Agreement, the Company shall pay interest thereon, from the due date to the date paid, at a rate of one percent (1%) per month.

SECTION 5 COMPLIANCE REPORTS

5.1 Compliance. To the best of its knowledge, the Franchising Authority hereby acknowledges that as of the Effective Date, the Company is in material compliance with all material laws, rules, and ordinances of the Franchising Authority.

5.2 Reports. Upon written request by the Franchising Authority, the Company shall promptly submit to the Franchising Authority such information as may be necessary to reasonably demonstrate the Company's compliance with any term or condition of this Agreement.

5.3 File for Public Inspection. Throughout the term of this Agreement, the Company shall maintain and make available to the public those documents required pursuant to the FCC's rules and regulations.

5.4 Treatment of Proprietary Information. The Franchising Authority agrees to treat as confidential, to the maximum extent allowed under the Alabama Public Records Law (Ala. Code § 36-12-40, *et seq.*) or other applicable law, any requested documents submitted by the Company to the Franchising Authority that are labeled as "Confidential" or "Trade Secret" prior to submission. In the event that any documents submitted by the Company to the Franchising Authority are subject to a request for inspection or production, including but not limited to a request under the Alabama Public Records Law, the Franchising Authority shall notify the Company of the request as soon as practicable and in any case prior to the release of such information, by email or facsimile to the addresses provided in Section 10.6 of this Agreement, so that the Company may take appropriate steps to protect its interests in the requested records, including seeking an injunction against the release of the requested records. Upon receipt of said notice, the Company may review the requested records in the Franchising Authority's possession and designate as "Confidential" or "Trade Secret" any additional portions of the requested records that contain confidential or proprietary information.

5.5 Emergency Alert System. Company shall install and maintain an Emergency Alert System in the Franchise Area only as required under applicable federal and state laws. Additionally, the Franchising Authority shall permit only those Persons appropriately trained and authorized in accordance with applicable law to operate the Emergency Alert System equipment and shall take reasonable precautions to prevent any use of the Company's Telecommunications System in any manner that results in inappropriate use thereof, or any loss or damage to the Telecommunications System. Except to the extent expressly prohibited by law, the Franchising Authority shall hold the

Company and its employees, officers, and assigns harmless from any claims arising out of use of the Emergency Alert System, including but not limited to reasonable attorneys' fees and costs.

SECTION 6 ENFORCEMENT

6.1 Notice of Violation. If the Franchising Authority believes that the Company has not complied with the terms of this Agreement, the Franchising Authority shall first informally discuss the matter with the Company. If discussions do not lead to a resolution of the problem, the Franchising Authority shall notify the Company in writing of the nature of the alleged noncompliance ("Violation Notice").

6.2 Company's Right to Cure or Respond. The Company shall have thirty (30) days from the receipt of the Violation Notice, or any longer period specified by the Franchising Authority, to respond; cure the alleged noncompliance; or, if the alleged noncompliance, by its nature, cannot be cured within thirty (30) days, initiate reasonable steps to remedy the matter and provide the Franchising Authority a projected resolution date in writing.

6.3 Hearing. If the Company fails to respond to the Violation Notice received from the Franchising Authority, or the alleged noncompliance is not remedied within the cure period set forth above, the Franchising Authority's governing body shall schedule a hearing if it intends to continue its investigation into the matter. The Franchising Authority shall provide the Company at least thirty (30) days' prior written notice of the hearing, specifying the time, place, and purpose of the hearing. The Company shall have the right to present evidence and to question witnesses. The Franchising Authority shall determine if the Company has committed a violation and shall make written findings of fact relative to its determination. If a violation is found, the Company may petition for reconsideration before any competent tribunal having jurisdiction over such matters.

6.4 Enforcement. Subject to applicable federal and state law, if after the hearing provided for in Section 6.3, the Franchising Authority determines that the Company is in default of the provisions addressed in the Violation Notice, the Franchising Authority may

- (a) seek specific performance;
- (b) commence an action at law for monetary damages or seek other equitable relief; or
- (c) in the case of a substantial default of a material provision of this Agreement, seek to revoke the Franchise in accordance with subsection 6.5 below.

6.5 Revocation.

6.5.1 After the hearing and determination provided for in Section 6.3 and prior to the revocation or termination of the Franchise, the Franchising Authority shall give written notice to the Company of its intent to revoke the Franchise on the basis of an alleged substantial default of a material provision of this Agreement. The notice shall set forth the exact nature of the alleged default. The Company shall have thirty (30) days from receipt of such notice to submit its written objection to the Franchising Authority or to cure the

alleged default. If the Franchising Authority is not satisfied with the Company's response, the Franchising Authority may seek to revoke the Franchise at a public hearing. The Company shall be given at least thirty (30) days' prior written notice of the public hearing, specifying the time and place of the hearing and stating the Franchising Authority's intent to revoke the Franchise.

6.5.2 At the public hearing, the Company shall be permitted to state its position on the matter, present evidence, and question witnesses, after which the Franchising Authority's governing board shall determine whether or not the Franchise shall be revoked. The public hearing shall be on the record and a written transcript shall be made available to the Company within ten (10) business days. The decision of the Franchising Authority's governing board shall be made in writing and shall be delivered to the Company. The Company may appeal such decision to an appropriate court, which shall have the power to review the decision of the Franchising Authority's governing board. The Company may continue to operate the Telecommunications System until all legal appeals procedures have been exhausted.

6.5.3 Notwithstanding the provisions of this Section 6, the Company does not waive any of its rights under federal law or regulation.

6.6 Technical Violations. The parties hereby agree that it is not the Franchising Authority's intention to subject the Company to penalties, fines, forfeiture, or revocation of the Agreement for so-called "technical" breach(es) or violation(s) of the Agreement, where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Franchise Area or where strict performance would result in practical difficulties and hardship to the Company which outweigh the benefit to be derived by the Franchising Authority or Subscribers.

SECTION 7 ASSIGNMENTS AND OTHER TRANSFERS

The Franchise shall be fully transferable to any successor in interest to the Company. A notice of transfer shall be filed by the Company to the Franchising Authority within forty-five (45) days of such transfer. The transfer notification shall consist of an affidavit signed by an officer or general partner of the transferee that contains the following:

- (a) an affirmative declaration that the transferee shall comply with the terms and conditions of this Agreement, all applicable federal, state, and local laws, regulations, and ordinances regarding the placement and maintenance of facilities in any public right-of-way that are generally applicable to users of the public right-of-way and specifically including the Alabama Underground Damage Prevention Act (Ala. Code § 37-15-1, *et seq.*);
- (b) a description of the transferee's service area; and
- (c) the location of the transferee's principal place of business and the name or names of the principal executive officer or officers of the transferee.

No affidavit shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title, or interest of the Company in the Franchise or in the

Telecommunications System in order to secure indebtedness, or (ii) a transfer to an entity directly or indirectly owned or controlled by Uniti Group Inc. or Uniti Fiber GulfCo LLC.

SECTION 8 INSURANCE AND INDEMNITY

8.1 Insurance.

8.1.1 Liability Insurance. Throughout the term of this Agreement, the Company shall, at its sole expense, maintain comprehensive general liability insurance, issued by a company licensed to do business in the State of Alabama with a rating of not less than “A minus,” and provide the Franchising Authority certificates of insurance demonstrating that the Company has obtained the insurance required in this Section 8.1.1. This liability insurance policy or policies shall be in the minimum amount of One Million Dollars (\$1,000,000.00) for bodily injury or death of any one person, One Million Dollars (\$1,000,000.00) for bodily injury or death of any two or more persons resulting from one occurrence, and One Million Dollars (\$1,000,000.00) for property damage resulting from any one accident. The policy or policies shall not be canceled except upon thirty (30) days’ prior written notice of cancellation to the City.

8.1.2 Workers’ Compensation. The Company shall ensure its compliance with the Alabama Workers’ Compensation Law.

8.2 Indemnification. The Company shall indemnify, defend, and hold harmless the Franchising Authority, its officers, employees, and agents acting in their official capacities from and against any liability or claims resulting from property damage or bodily injury (including accidental death) that arise out of the Company’s construction, operation, maintenance, or removal of the Telecommunications System, including but not limited to reasonable attorneys’ fees and costs, provided that the Franchising Authority shall give the Company written notice of its obligation to indemnify and defend the Franchising Authority within thirty (30) business days of receipt of a claim or action pursuant to this Section 8.2. If the Franchising Authority determines that it is necessary for it to employ separate counsel, the costs for such separate counsel shall be the responsibility of the Franchising Authority. Notwithstanding the foregoing, the Company shall not be obligated to indemnify the Franchising Authority for any damages, liability, or claims resulting from the willful misconduct of the Franchising Authority or for the Franchising Authority’s use of the Telecommunications System.

8.3 Liability and Indemnity. In accordance with the Telecommunications Act, the Franchising Authority, its officials, employees, members, or agents shall have no liability to the Company arising from the regulation of Telecommunications Service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this Franchise. Any relief, to the extent such relief is required by any other provision of federal, state, or local law, shall be limited to injunctive relief and declaratory relief.

**SECTION 9
PUBLIC, EDUCATION, GOVERNMENT ACCESS**

NOTE: AS LONG AS THE COMPANY DOES NOT PROVIDE VIDEO SERVICE OR CABLE SERVICE, THIS SECTION 9 SHALL NOT APPLY.

9.1 Channel Capacity. The Company agrees to make available channel capacity, up to one (1) fully dedicated Channel position, on the digital tier, to be designated for non-commercial, non-revenue generating public, educational, or governmental (“PEG”) access purposes. Unused time on the PEG Channel position may be utilized by the Company subject to terms to be mutually agreed upon by the Company and the Franchising Authority. The Company shall provide the PEG channel within one hundred eighty (180) days of the Franchising Authority’s request.

9.2 Channel Positions. At any time during the term of this Agreement and at the Company’s sole option and discretion, the Company may (i) change the transmission technology by which PEG access programming is delivered to Subscribers, provided, however, that the quality of PEG access programming transmitted over the System to Subscribers is of a quality comparable to that which was delivered to the Company by the PEG programmer, or (ii) relocate any PEG programming to a Channel position on its lowest digital tier service delivered to all of the Company’s Subscribers. The Company shall notify the Franchising Authority at least thirty (30) days in advance of such changes.

9.3 Ownership. The Company does not relinquish its ownership of its ultimate right of control over a Channel position by designating it for PEG access use. A PEG access user, whether such user is an individual, educational, or governmental user, acquires no property or other interest in the Channel position by virtue of the use of a Channel position so designated.
